

“Nurses – We are the World”

*Debbie Sorensen NZRPN
CEO Pasifika Futures and Pasifika
Medical Association*

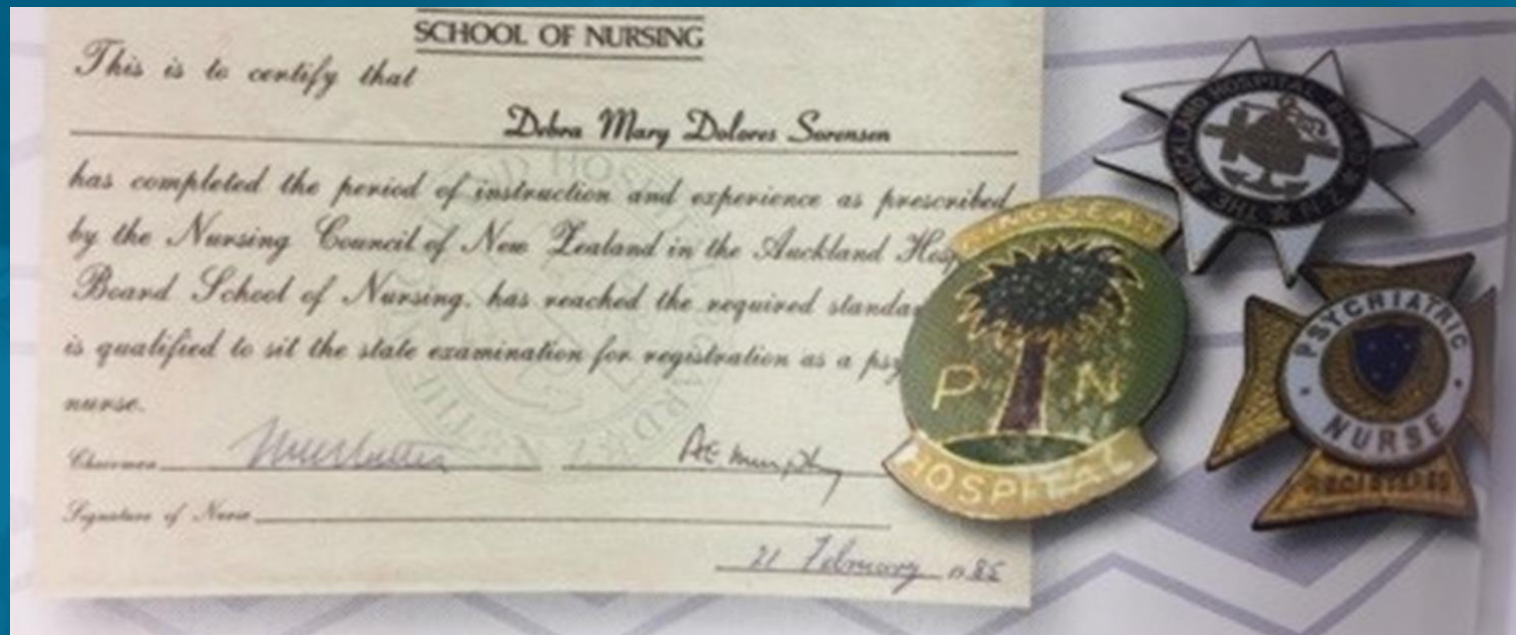

“

Nurses help babies enter the world, ease the way for people leaving the world and provide hope, love and comfort in between. For many people world wide – nurses are their world.

Shifting struggles....

- We advocate for our families, communities, people
- Sometimes we are the last resort
- We struggle to balance our livesto give to all who are in need
- Often neglecting ourselves.....
- Often our families sacrificing time to others....

- Nurses are the future
- Nurses will help determine the future for our families
- Nurses are the future of healthcare

Nurses Prayer

Please help me to bring
Comfort where there is pain
Courage where there is fear
Hope where there is despair
Acceptance when the end is near
and a gentle touch with
tenderness, patience and love.
